Jul 24–28, 2017	Bethlehem, PA
Oct 2–6, 2017	Bethlehem, PA
Dec 4–8, 2017	Bethlehem, PA

### Industrial Hydraulic Fundamentals (IHF)

<b>Prerequisite: Proficiency in reading and math</b>	<b>Cost: \$1,795</b>
Feb 13–17, 2017	Houston, TX
Aug 7–11, 2017	Houston, TX

### Mobile Hydraulic Fundamentals (MHF)

<b>Prerequisite: Proficiency in reading and math</b>	<b>Cost: \$1,595</b>
Mar 20–24, 2017	Greenville, SC
May 8–12, 2017	Houston, TX
Oct 23–27, 2017	Greenville, SC
Dec 11–15, 2017	Houston, TX

### Hydraulic Setup and Commissioning (HSC)

<b>Prerequisites: eT-HT-FLUIDE + POH, IHF, MHF, eIHB or eMHB</b>	<b>Cost: \$1,795</b>
Jul 31–Aug 4, 2017	Bethlehem, PA
Oct 30–Nov 3, 2017	Bethlehem, PA

### Electro-Proportional Technology (EPT)

<b>Prerequisite: POH, IHF, MHF, eIHB or eMHB</b>	<b>Cost: \$1,895</b>
Apr 10–14, 2017	Bethlehem, PA
Nov 27–Dec 1, 2017	Bethlehem, PA

### Hydraulic Pump Systems (HPS)

<b>Prerequisite: eT-HT-FLUIDE + POH, IHF, MHF, eIHB or eMHB</b>	<b>Cost: \$1,895</b>
Aug 28–Sep 1, 2017	Bethlehem, PA

### Motor Pump Systems (MPS)

<b>Prerequisite: eT-HT-FLUIDE + POH, IHF, MHF, eIHB or eMHB</b>	<b>Cost: \$1,895</b>
Jun 19–23, 2017	Bethlehem, PA

## Courses in Canada

### Overview of Industrial Hydraulics (HYi-101)

<b>Prerequisite: Proficiency in reading and math</b>	<b>Cost: \$1,795</b>
Jan 16–20, 2017	Burlington, ON
Feb 27–Mar 3, 2017	Port Coquitlam, BC
Mar 6–10, 2017	Edmonton, AB

May 29–Jun 2, 2017	Burlington, ON
Sep 11–15, 2017	Burlington, ON
Nov 13–17, 2017	Burlington, ON

### Commissioning, Maintaining, & Troubleshooting Industrial Hydraulics (HYi-201)

<b>Prerequisite: HYi-101 or equivalent hydraulic training</b>	<b>Cost: \$1,795</b>
Jan 30–Feb 3, 2017	Burlington, ON
Oct 16–20, 2017	Port Coquitlam, BC
Nov 27–Dec 1, 2017	Burlington, ON

### Design Considerations for Ind. Hydraulics (HYi-202)

<b>Prerequisite: HYi-101</b>	<b>Cost: \$1,895</b>
Jun 5–9, 2017	Burlington, ON
Dec 11–15, 2017	Burlington, ON

### Piston Pumps/Motors & Controls (HYi-301)

<b>Prerequisite: HYi-101 and HYi-201 or HYi-202</b>	<b>Cost: \$1,895</b>
Jun 19–23, 2017	Burlington, ON

### Proportional Control Technology (HYi-302)

<b>Prerequisite: HYi-101 and HYi-201 or HYi-202</b>	<b>Cost: \$1,895</b>
Apr 24–28, 2017	Burlington, ON

### Design & Sizing of Proportional Circuits (HYi-303)

<b>Prerequisite: HYi-101 and HYi-202</b>	<b>Cost: \$1,295</b>
May 9–11, 2017	Burlington, ON

### Overview of Mobile Hydraulics (HYm-101)

<b>Prerequisite: Proficiency in reading and math</b>	<b>Cost: \$1,595</b>
Jan 23–27, 2017	Burlington, ON
Mar 20–24, 2017	Burlington, ON
Sep 25–29, 2017	Edmonton, AB
Oct 30–Nov 3, 2017	Burlington, ON

### Mobile Hydraulics Drive & Control Technology (HYm-201)

<b>Prerequisite: HYm-101 or HYi-101 or equivalent</b>	<b>Cost: \$1,895</b>
Oct 30–Nov 3, 2017	Burlington, ON

# How to Register for Courses/Seminars

## Use our Online Registration process

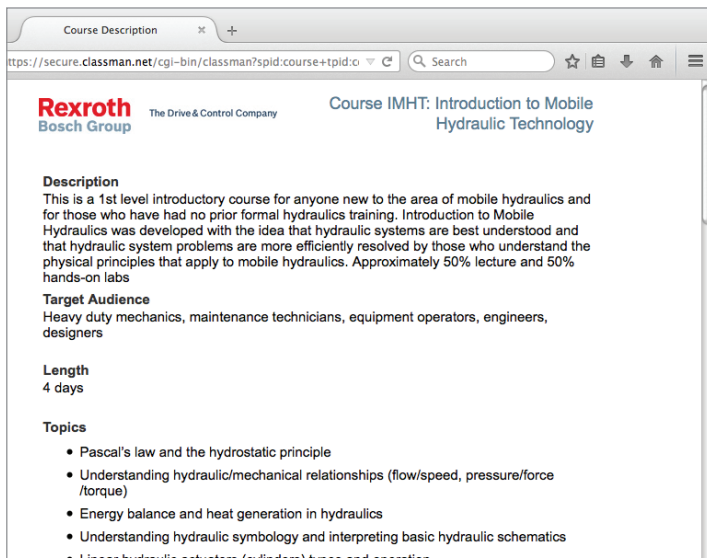

You can enroll yourself or another student via our on-line learning management system (LMS). To check availability or register for a course, visit the online training registration site at:

[www.boschrexroth.com/training/register](http://www.boschrexroth.com/training/register)

The above link opens a calendar page where you will be able to scroll through a monthly view and see when and where the North American courses are being offered, as well as the number of spaces which are still available.

Clicking on a course offering opens a new window with a description of the course. Scrolling down allows you to see the available dates for that course as well as a link to the registration page. This link takes you to the Online Registration Form, which opens in a new window.

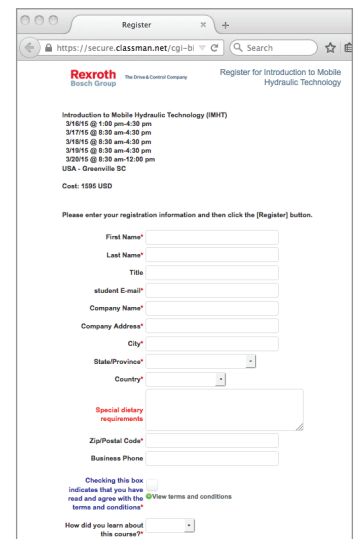

<b>Next Offered 1: in CAD - Edmonton AB</b> <a href="#">Register now for Introduction to Mobile Hydraulic Technology</a>		
<b>Cost: 1595 CAD</b>

**Link to Registration Form**

When enrolling on someone's behalf please use the student's actual email address since this will be used for all correspondence.

Once the registration process is completed you will be given a confirmation number and a confirmation email will be sent to the email address you have provided. This confirmation email includes tuition payment information, class hours, suggested hotels, and a map with directions. A link will appear on the confirmation email to allow cancellation or change of the reservation.

You can also access the training calendar via the Bosch Rexroth training sites. In the USA, this site is [www.boschrexroth.com/en/us/training/index](http://www.boschrexroth.com/en/us/training/index). In Canada, this site is [www.boschrexroth.ca/training](http://www.boschrexroth.ca/training).

## Payment for Courses

In the USA - The online system does not accept payment for enrollment. You will be contacted by the training coordinator before the class to process payment. Tuition may be paid using a Visa, MasterCard, or American Express credit card. A purchase order will only be accepted by your local Bosch Rexroth Distributor.

In Canada - In order to enroll you will need to provide a valid credit card. Purchase order upload is available only for existing customers of Bosch Rexroth Canada.

**Cancellation Guidelines** – Course cancellations received in less than 10 business days prior to the start date of class are subject to a charge of the stipulated training fee, in full. No refunds are made to registered student(s) who do not attend or withdraw after the start date of a scheduled class.
